

## Tigers AAA Tryouts

**June 25-27, 2021**

Colorado Springs Amateur Hockey Association proudly announces its annual AAA Tryouts. This Tier 1 camp provides players an opportunity to showcase their skills in a high paced, high altitude environment as they compete for an opportunity to represent the Tigers in the 2021-22 season. Proud members of CAHA, the NAPHL, as well as a national independent schedule, we are looking for the top talent to be a part of the Tiger culture and represent our club throughout the season.

This year's camp will include birth year players 2003-2008 as we build our U14, U15, U16, U18 teams. Players and families will have the opportunity to meet our staff, visit our facilities and compete in an exciting weekend of hockey in Colorado Springs!

This will be the final tryouts for our U14, U15, U16 and U18 teams.

For more information on our club, Tiger culture, player advancement and academic achievements contact the following staff members:
